# INVITATION

It is my great honor to welcome you to the 24th Annual Scientific Congress of the Hong Kong College of Cardiology cum 8th Congregation to be held on 10 – 12 June 2016 at the Sheraton Hong Kong Hotel & Towers, Tsimshatsui, Kowloon, Hong Kong.

As an endeavor to increase the accessibility and widen the scope of experience sharing, the Congress has organized two joint sessions with well-known international associations. The Joint European Society of Cardiology / Hong Kong College of Cardiology / Macau Cardiology Association Symposium will be held on 10 June 2016, while another joint session will be held on 12 June 2016 for the first time with Asia Pacific Heart Rhythm Society (APHRS). Renowned overseas and local speakers will be invited to share their invaluable experiences and knowledge in Cardiology.

The well established Joined Symposium between the Cross-straits Medicine Exchange Association and Hong Kong College of Cardiology will continue to be held this year. The GAP-CCBC Symposium adopts a clinical case based approach on guidelines and practice to provide practical advices to our participants. A total of 14 clinical cases were selected and will be presented by speakers from Mainland China, Taiwan, Hong Kong and Macau.

The symposia of Paediatric Cardiology and Allied Cardiovascular Health Professionals on Saturday are committed to maintaining their educational values and provide insights on recent developments in cardiac diseases. Please value the opportunity to participate in the Best Paper and PCI Case Competition sessions which are two of the most remarkable sessions in the Congress for years.

The Eighth Congregation of the Hong Kong College of Cardiology will be held on 11 June 2016. It is an important event of the College for the induction of new fellows. Meanwhile, it provides a unique opportunity for local and overseas fellows, members and friends of the College to reunion.

With a three-day program that includes a variety of different enlightening components, the Congress will play a key role in efforts to combat this growing threat to global health. On behalf of the Organizing Committee, I look forward to have the pleasure and excitement of welcoming you to the Congress.

**Chung-seung Chiang**  
*Chairman*  
*Organizing Committee*

# CONGRESS INFORMATION

## Date

Friday, 10 June 2016 - Sunday, 12 June 2016

## Venue

Sheraton Hong Kong Hotel & Towers  
20 Nathan Road, Tsimshatsui, Kowloon, Hong Kong

## Language

English

## Website

<http://www.hkcchk.com>

## Highlights

Plenary Lectures and Symposia  
Meet-the-expert Practical Sessions  
Allied Cardiovascular Health Professionals Symposium  
Free Paper Sessions  
Poster Sessions

## Certificate of Attendance

A certificate of attendance will be issued to all registered participants.

## CME & CNE Accreditation

CME & CNE accreditation is being applied and will be announced later.

## Exhibition

A medical-related exhibition will be held concurrently with the Congress. Advances in cardiovascular medicine will be displayed during the Congress.

## Letter of Invitation

Upon request, the Secretariat of the Congress will issue invitations to those wishing to participate in the Congress. The exclusive purpose of such invitations is to assist participants in obtaining funds or visa. Invitations are not commitment by the Organizing Committee to provide financial support.
